Subject Delfasco

Pam,
I received a call from Jim Cummings (Environmental Services Director w/ the City of GP) on Friday and he mentioned that he would like for EPA to arrange a briefing for

members of his Department, the City Manager, and several City Council members that represent the citizens of the Delfasco neighborhood (the meeting would be informal). We were going to brief this group several weeks ago but decided to delay the meeting until additional planning was conducted on our part. He would like for someone to call him back to discuss the timing for this meeting and our schedule for conducting a community meeting.

thanks

Rick
